*And it is my prayer that your love may abound more and more,
with knowledge and all discernment, so that you may approve what is excellent,
and so be pure and blameless for the day of Christ.*

Philippians 1:9-10

Principal's Comment

Last week we heard from the current Year 5 students about how they intend to lead at Liberty next year. They were all prepared and spoke very well and voting has now occurred. The School Captain and Sport Team Leaders will be announced at the end of the year. What was terrific to hear during the speeches was each student's heart for Liberty, for serving others and the ways they have grown as young men and women during their time of enrolment. Well done Year 5!

School Community Survey

The annual School Community Survey is available. We would appreciate your feedback as we are always trying to improve the school and value your input. Access the survey using this link or the link in the Compass News Feed.

Compass

Compass is the main tool for communication with the school community. Please ask the office if you require help setting this up on your device. Coming events, attendance matters, school calendar, school reports and interview bookings are all accessed through the Compass Parent Portal. Turning notifications on allows you to be alerted when a new post is placed on the News Feed.

Team Colour Day

This coming Monday is Team Colour Day. Students are encouraged to wear as much of their team colour as possible. Team challenges will be set for sport allowing teams to boost their point score before the end of the year when the winning sport team is announced.

Transition to School Program

Our new friends coming for Transition are enjoying their Fridays at school. Students are now moving from half day visits to full days. The Transition students will also join us for the last day of school at Kids Zone.

Blessed is the man who keeps on going
when times are hard.
After he has come through them,
he will receive a crown.
The crown is life itself.
James 1:12

Remember to put sunscreen on your child
before coming to school.
Sunscreen is available at school to reapply a lunch time.

Excursion

Students in Kindergarten, Year 3 and 4 will head on the Liberty bus to Wallabadah on Tuesday November 23. As part of their learning in History, Geography and Science, students will visit the First Fleet Memorial Gardens. This will occur from lunch onwards. Please provide a well packed recess and water bottle for the trip. Mrs Philp, Mrs Burrow and Mrs McIlrick will attend the excursion.

Kids Zone

Liberty students (Transition to Year 6) will be celebrating the end of the school year with a day at Kids Zone. Students will come to school as usual and will then travel by Liberty bus to the venue. The entry cost is covered by the school. Students can bring water, fruit and food items although the kiosk is available for them to access through the day. This will be a mufti day. Socks are essential. Students may be collected from 1pm. All students remaining at 1:45pm will then be brought back to school for afternoon travel plans. Families are welcome to join us at own cost and follow the venue's check-in requirements. Numbers on-site at Kids Zone are limited at this time.

End of Year Update

We are just 3 weeks away from school concluding. The final day for Liberty students is Friday December 10. Our Presentation event is particularly special as we farewell Year 6 students and announce the School Leaders for the new year. The form that Presentation Night will take is likely to be a video link with pre-recorded presentations. With restrictions in place for schools at Level 3, welcoming all our families on-site may not be possible by our scheduled end of school date.

If you would like to make use of the Chaplaincy Service provided by the **Federal Government**, please contact the office or the School Chaplain
