And it is my prayer that your love may abound more and more,
with knowledge and all discernment, so that you may approve what is excellent,
and so be pure and blameless for the day of Christ.

Principal's Comment

As we work together to reduce the risk of infections, please follow NSW Health guidelines and refrain from sending your child to school if they are unwell. At school, students are requested to follow good hygiene practices and additional cleaning and distancing measures are in place. Help us by encouraging your child to practice good hygiene to keep their friends and school staff well.

Compass

Parent Portal information is on it's way. Follow the instructions to set up your account. Visit the office if you would like some help.

Late Arrivals

The class attendance rolls are marked at 9am when the bell rings. If the gate is closed upon arrival, head to the office to sign in before joining class. An SMS is automatically generated at 10am if a student has not been marked present. Simply follow the link to provide an explanation.

Uniforms

If your child is unable to wear their school uniform for any reason, please let staff know. Students not wearing the full uniform may be given detention if the issue is not addressed or rectified.

Sport

Term 2 Sport includes 3-week rotations of Gymnastics, Fundamental Movement Skills (FM Skills) and Team Games.

Weeks 4-6

Gymnastics - 2/3 Dolphins
FM Skills - K/1 Jellyfish
Team Games - 4-6 Piranhas

Annual Report

The 2019 Annual Educational and Financial Report has been published and is available on the school website.

UNSW Mathematics Cross Country & Team Competition

Last week students in grades 3-6 sat the annual Maths Competition. Results will be available later in the term. The cost to participate in these competitions is included in school fees.

Start Smart

The Commonwealth Bank Start Smart Program will be presented to students online THIS Tuesday August 18. The program equips students with the confidence and competence to make smart financial decisions by teaching financial skills in a fun and interactive way.

Pick Up/Drop Off

To maintain physical distancing, families are encouraged to use the Pick Up/Drop Off Zone in preference to walking into the school. Students will be directed to parked cars along the zone. To keep this running smoothly, pull up and along the curb as far as possible to allow other cars to use the area.

This event is coming up THIS Wednesday August 19. Students have run the course in preparation. Get ready for this event by organising clothes to match your child's sport team colour. Students will need to bring a water bottle for this event. It is advisable to wear old joggers as there are muddy parts along the track.

Homework

The revised Homework for Term 3 includes a construction activity. We have seen many great results from students in just a few weeks. Please email photos of students' constructions to their **classroom inbox**. They are then able to share this with their class and explain what they have constructed.
