### Student of the Week

K/1  
Mooki

2/3  
Peel

4/5/6  
Macdonald

Imogen

Purity

Mason

The following behaviours and attitudes are considered when awarding the 'Student of the Week':

- Obey all playground rules
- Obey all classroom rules
- Wear the full uniform with pride
- Cooperate with staff and students
- Represent the school with pride
- Show respect for all staff
- Complete set tasks
- Be prepared for all classes
- Encourage and serve others
- Attendance at school

*There will be no Student of the Week awarded during this Home Learning period.*

*And it is my prayer that your love may abound more and more,  
with knowledge and all discernment, so that you may approve what is excellent,  
and so be pure and blameless for the day of Christ.*

*Philippians 1:9-10*

## *Principal's Comment*

Last fortnight I commented about 'responsibility'. The staff have been blown away by the incredible way our students and families have adapted to Home Learning. Students have shown great responsibility with their learning, following the timetable, joining Zoom meetings to touch base with their teachers and staying focussed to complete learning tasks. We are very thankful that you are able to support your children at home to continue the great work they have been doing at school. We are praying that we can be back in the classroom with everyone soon, but in the meantime, let's celebrate the amazing team effort at Liberty. Let me just say that our staff are doing an outstanding job to keep things running smoothly.

## *Home Learning*

With the NSW Premier's announcement yesterday of an extension to lockdown, we have prepared for another week of Home Learning. Packs have been available for collection today and home deliveries will be made after school. Please contact your child's teacher if you cannot locate a particular resource. Liberty has chosen to provide learning materials in predominately printed form to make access to the curriculum readily available to all students and keep screen-time to a minimum.

## *ZOOM Details*

9:15 am - Check In with Mrs Philp

10:00 am - Macdonald Class Meeting with Mrs Campbell

10:30 am - Peel Class Meeting with Mrs Haworth (Tues-Fri)

11:00 am - Mooki Class Meeting with Miss Kelly

If you can only make it to one meeting a day, aim for the class meeting. Teacher's can then support students in learning. The Zoom Check In is like a morning assembly, bringing our students together to keep them connected and providing info for the day. This week we will also be having a short devotion together during this time. Teachers will call to check in if students do not attend the daily Class Zoom meetings.

“With man, that is impossible.  
But not with God.  
All things are possible with God.”  
Mark 10:27

## Communication

Compass is the main avenue to send out communication. Items are sent via email and push notification to App users. Please check emails regularly. Teachers may also phone primary caregivers and this may display as No Caller ID. Zoom is being used for meetings and Facetime calls are made if required.

## Sport

The Jump Rope for Heart (JR4♥) Program has kicked off for 2021. Liberty participates in this program every second year, building skills, increasing physical fitness and raising money for research into heart disease. This year our goal is \$3000. An online fundraising account can be set up for your child to collect sponsorship money. Instructions on how to do this were sent home in Week 5 learning packs.

## Parent Club

Join us for a Parent/Carer Zoom gathering on Friday August 27 at 2pm. Send the children out to the backyard for a play, pull up a chair, grab a coffee and get ready to celebrate the end of 3 weeks of Home Learning.

## COVID-19

In line with current restrictions, visitors to the school site are asked to:

- Maintain physical distancing by avoiding gathering, particularly outside the school gate
  - Use the drop-off/pick-up zone as much as practicable
  - Follow regional area mask requirements
  - The Service NSW QR code is displayed on the foyer door
- Students and staff presenting with COVID-like symptoms are not to attend school. They may return when they are symptom-free and can produce a negative test result. Let's continue to work together to keep our community safe and our children learning and growing together.

## Postponements

The Feast program and the next canteen day have been postponed. These will be rescheduled when students are back on-site.

### TEACHER EMAILS

The place to send info direct to teachers.

Eg. Questions about students and/or class matters
