## Principal's Comment

Liberty is a 'family-friendly' school and there's nothing better than being on playground duty and seeing evidence of 'family' amongst our students. To see students playing in mixed-age activities, encouraging each other, helping each other when someone falls, giving a pat on the back when a little person has done something well, opening the gate for incoming students and even jumping in to help adults. It's great to see these kind and caring actions in our young people.

## Sport

Gymnastics and the walking program end over the coming weeks and all classes will then participate in the JR4♥ program.

## Volunteer Training

If you are interested in volunteering within the school, please make time to come to a 1 hour training session on Wednesday August 21 commencing at 2pm. Please RSVP to the office if you intend on coming along.
